

THE BULLS HEAD ELDERLY SERVICE

Dear Clipston Residents

Firstly, thank you for your kind words of support. We are trying to help residents by putting various ideas and solutions to the situation we are all in.

As a result of this, we will be offering delivery of simple hot food to any elderly self isolating people.

This will be on a day to day basis and will consist of two choices each day. Payment can be taken over the phone or in cash left at the door. We will knock when it has been delivered.

These can be hot or cold for peoples ease or storage.

Deliveries will be from 11.30am to 12.30pm and 4.30pm to 5.30pm.

£5.00 per complete meal.
